

Clinical card

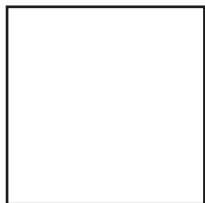

Completed by the physician after handover (about 3 minutes).

Fill the bubble completely with blue or black pen. One mark per row unless stated. Do not tick or cross.

Standalone anonymous card. No date. Not linked to flight, crew, or patient identity.

Categorical only, no free text. Irreversibly anonymous by design.

D01 Card serial

Assigned at scan, after the card pool is shuffled across bases. Carries no date, no order, no link to flight or person. Do not write in this box.

QR / serial applied at scan
